Terms of Sale

Payment

Payments by credit card through PayPal or by Bank wire transfer.

Returns

Products to be returned to the factory, regardless of reason, must be factory authorized and have a factory assigned Returned Goods Authorization on the outside of the box in which the products are returned. Packages returned without factory authorization will be refused and returned to the sender at sender's expense. Product authorized for return to the factory within 10 working days of receipt of goods is fully refunded provided the merchandise is returned unopened and unused condition with all screws, parts and original packaging intact. All other returns will be subject to a 25% restock fee except defective merchandise in which case our Limited Lifetime Warranty applies.

Technical Support

Our mortise locks are provided with installation templates. Your installer must have a mortise lock installation tool which includes a router and bit capable of making at least a 4" deep X 5/8" wide vertical slot in the edge of a solid wood door. Please do not hesitate to contact us at the toll-free number below with any questions regarding the proper installation of our products or if you need to purchase installation tools.

Limited Lifetime Warranty

Iron Lock Imports, at its option, will repair or replace any lock, lock trim, lock function or accessory supplied by us which fails to operate as a result of a manufacturing defect within 5 years of original purchase of material by the original owner. This warranty excludes damage from abuse, improper installation, attack or attempted forced entry.
